## INFORMATION ON VOTING

### *Voting Matters*

At the meeting, holders of Common shares will vote on the election of Directors and the re-appointment of Auditors including authorizing the Board of Directors to fix their remuneration.

### *Record Date for Notice of Meeting*

The Board of Directors of the Corporation (the "Board" or the "Board of Directors") has fixed January 11, 2010 as the record date (the "Record Date") for the purpose of determining shareholders entitled to receive notice of the Meeting.

### *Voting by Proxy*

#### *Registered Owners*

Registered holders of Common shares may vote in person at the Meeting or may give another person authority to vote at the Meeting on their behalf by appointing a proxyholder. Please complete, sign, date and return the accompanying proxy form solicited by this Circular in the envelope provided or by facsimile to CIBC Mellon Trust Company at (416)-368-2502, so that it arrives no later than 4:30 p.m. (Eastern Standard Time) on Thursday, February 18, 2010.

### ***Beneficial Owners***

The Corporation will provide proxy materials to brokers and other custodians, nominees and fiduciaries and will request that such materials be forwarded to each beneficial owner of Common shares shown in their records. If Common shares are listed in your account statement provided by any such institution, then, in almost all cases, those Common shares will not be registered in your name on the records of the Corporation. Such Common shares will likely be registered under the name of your broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co., the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms. Common shares held by your broker or its nominees can only be voted upon your instructions. Without specific instructions, your broker, its agent or its nominee is prohibited from voting your Common shares.

**Therefore, beneficial holders of Common shares should ensure that instructions respecting the voting of their Common shares are communicated to the appropriate party.**

Applicable regulatory policy requires your broker to seek voting instructions from you well in advance of a shareholder meeting. Every broker has its own mailing procedures and provides its own return instructions, which you should carefully follow in order to ensure that your Common shares are voted at the Meeting. Often, the form of proxy supplied by your broker is similar to the form of proxy provided to registered holders of Common shares. However, its purpose is limited to instructing the registered holders of Common shares how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from the client to Broadridge Investor Communication Solutions (“Broadridge”). Broadridge mails a voting instruction form in lieu of the form of proxy provided by the Corporation. The voting instruction form will name the same persons as the proxy form to represent the holder of Common shares at the Meeting. A holder of Common shares has the right to appoint a person (who need not be a shareholder of the Corporation) other than the persons designated in the voting instruction form, to represent the holder at the Meeting. To exercise this right, the holder of Common shares should insert the name of the desired representative in the blank space provided in the voting instruction form. You are asked to complete and return the voting instruction form to Broadridge by mail or facsimile. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, it cannot be used as a proxy to vote Common shares directly at the Meeting as the voting instructions form must be returned to Broadridge well in advance of the Meeting in order to have Common shares voted or to appoint an alternative representative to attend the Meeting in person to vote such Common shares.**

**If you are a beneficial holder of Common shares and wish to vote in person at the Meeting, you should insert your own name in the space provided on the voting instruction form provided to you by your nominee and return the completed form to Broadridge.**

### ***Appointing a Proxyholder***

A proxyholder is the person you appoint to act on your behalf at the Meeting and to vote your shares in your name. **You may choose anyone to be your proxyholder – the person does not have to be a shareholder of the Corporation. Simply insert the person’s name in the blank space provided on the proxy form (registered shareholders) or the voting instruction form (beneficial shareholders). You should be sure that this person is**

**attending the Meeting and is aware that he or she has been appointed to vote your shares. If you do not insert a name in the blank space, then the persons named on the form, being J.C. Stefan Spicer or John S. Elder, each of whom is a Director and Officer of the Corporation, will be appointed to act as your proxyholder.**

Your appointed proxyholder is authorized to vote and act for you at the Meeting, including any continuation after an adjournment of the Meeting. On the form you should indicate how you want your proxyholder to vote your Common shares. You may vote FOR or WITHHOLD your vote on the proposed nominees for election as Directors and on the appointment of the auditors including authorizing the Board of Directors to fix their remuneration. Alternatively, you can let your proxyholder decide for you.

All Common shares represented by properly executed and deposited forms of proxy will be voted or withheld from voting, on the matters identified in the Notice of Meeting in accordance with the instructions of such respective shareholders.

***Voting Discretion of Proxyholder***

If you give directions on how to vote your Common shares, your proxyholder must vote such shares according to your instructions. If your proxy form or voting instruction form does not specify how to vote on a particular issue, then your proxyholder can vote your Common shares as he or she sees fit. If your proxyholder does not attend the Meeting and vote in person, your shares will not be voted.

**If you have appointed a person designated by the Corporation as proxyholder as provided in the enclosed form of proxy and you do not provide any instructions concerning a matter identified in the Notice of Meeting, the Common shares represented by such proxy will be voted as follows:**

**FOR the election of the persons nominated for election as Directors and;**

**FOR the appointment of Ernst & Young LLP, Chartered Accountants, as Auditors and the authorization of the Board of Directors to set their remuneration.**

The accompanying form of proxy confers discretionary authority on the persons named therein with respect to amendments or variations to matters identified in the notice of the Meeting and with respect to other business which may properly be brought before the Meeting. At the date of this Circular, the Senior Executive Officers of the Corporation know of no such amendments, variations or other business to be brought before the Meeting.

***Revoking your Proxy***

A holder of Common shares of the Corporation may revoke such holder's proxy before it is exercised by depositing an instrument in writing executed by such holder or by his or her attorney authorized in writing, or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized; (i) at the registered office of the Corporation at 3400 Petro-Canada Centre, 150 - 6th Avenue, S.W., Calgary, Alberta at any time up to and including the close of business on the last business day preceding the day of the Meeting or any adjournment thereof; or (ii) with the Chair of the Meeting on the day of such Meeting or any adjournment thereof; or (iii) in any other manner permitted by law.

## MATTERS TO BE CONSIDERED AT THE MEETING

### (a) 2009 Financial Statements

The first item of business at the Meeting will be to receive and consider the financial statements of the Corporation for the fiscal year ended October 31, 2009 together with the Auditors report thereon, copies of which financial statements and Auditors report accompany this Circular.

### (b) Election of Directors

#### *Election Details*

The next item of business to be dealt with at the Meeting is the election of Directors to hold office until the next annual meeting or until their successors are duly elected or appointed. The Board of Directors has fixed the authorized number of Directors to be elected at the Meeting at eight.

The term of each person elected as a Director will be until the termination of the next annual meeting or until his successor is duly elected, unless his office is earlier vacated in accordance with the by-laws of the Corporation.

The persons named in the accompanying form of proxy intend to vote to elect as Directors the eight persons named as nominees below. The Senior Executive Officers are not presently aware that any such person would be unwilling or unable to serve as a Director if elected. However, if this should occur for any reason prior to the Meeting, it is intended that the persons so named in the form of proxy will have discretionary authority to vote the proxy for the election of any other person or persons as Directors.

#### *Majority Voting for Directors*

Effective August 17, 2009, the Board of Directors adopted a policy which requires that any nominee for Director who receives a greater number of votes “withheld” than “for” his or her election as a Director shall promptly tender his or her resignation to the Board following the meeting at which he or she is elected, which resignation will become effective upon its acceptance by the Board. The Corporate Governance Committee will consider the proffered resignation offer and will make a recommendation to the Board as to whether to accept it. The Board of Directors will disclose its decision, via press release, within 90 days of the applicable meeting at which the election took place. A Director who tenders his or her resignation pursuant to this policy will not participate at any meeting of the Corporate Governance Committee or the Board of Directors at which the resignation is considered. This policy only applies to uncontested elections, meaning elections where the number of nominees for Directors is equal to the number of Directors to be elected upon such election as determined by the Board. A copy of the full policy can be found on the Corporation’s website at [www.centralfund.com](http://www.centralfund.com).

#### *Background of Nominees:*

The ensuing subsections provide information concerning the nominees to the Board of Directors, their background and qualifications, duration of their involvement with the Corporation, their shareholdings and their compensation. ### ***Composition of Board***

The Board has a policy of ensuring that at least fifty percent of the eight proposed Directors are “independent” and that at least two additional Directors are independent of administration or the principal shareholders. This encourages good alignment of the interests of the Board with the interests of the Corporation’s shareholders. In this context, the Board

considers a Director to be independent if he or she is independent within the definitions set forth in Multilateral Instruments 58-101 and 52-110 as having no material relationship with the Corporation which could in the view of the Board of Directors be reasonably expected to interfere with the exercise of his or her judgement.

Messrs. Heagle and Sale are currently regarded by the Board as being independent in accordance with the foregoing. Messrs. McAvity and Parente are also regarded by the Board as being independent. Mr. McAvity is not a member of the administration, although, as referred to under “Interest of Management and Others in Material Transactions”, the Administrator engages him to provide general advice in relation to bullion and currency market trends and developments. Mr. Parente does provide consulting services to the Administrator and others. Mr. McAvity serves on the Corporate Governance Committee and Mr. Parente serves on the Audit Committee.

With respect to the related Directors, Messrs. Philip and Stefan Spicer are involved as Officers serving as the Chairman and President respectively and are significant shareholders of the Corporation (see “Voting Shares and Principal Holders Thereof”). Mr. Spackman is the spouse of Ms. Catherine Spackman, the Treasurer of the Corporation and is a partner of Parlee McLaws LLP which provides periodic legal services to The Central Group Alberta Ltd. (the “Administrator”) and to the Corporation (see “Interest of Management and Others in Material Transactions”). Mr. Elder is not a member of administration but is a Counsel to Fraser Milner Casgrain LLP which provides legal services to the Corporation. The other four current Directors do not have interests or relationships with the principal shareholders referred to above and, as a consequence of such measure of independence and their diverse backgrounds and experience, such Directors may be regarded as in a position to reflect the interests of the shareholders of the Corporation other than the principal shareholders. Each of the Directors is a shareholder of Central Fund in his own right.

### ***Board Chair***

The Board Chairman is a duly elected member of the Board of Directors and is appointed as Chairman by the Board each year for a one-year term, with such appointment being (except when a vacancy is being filled) at the first meeting of the Board following the annual meeting of shareholders. As reflected in the Board Chairman Position Description, the Board Chairman provides leadership to the Board. He or she sets the “tone” for the Board and the Directors to foster effective, ethical and responsible decision-making, appropriate oversight of Senior Officers and the Administrator and strong corporate governance practices. In addition to individual Director responsibilities, responsibilities set out in the Board Charter and specific duties assigned by the Board from time to time, the Board Chairman will generally: oversee Board direction and administration, ensuring that the Board works as a cohesive team and building a strong governance culture; provide guidance and leadership to the Board, the Board Committees and individual Directors in support of Central Fund’s commitment to corporate responsibility and its Code of Conduct and Ethics; and foster effective, ethical and responsible decision-making by the Board, the Board Committees and individual Directors. In the context of leadership, he or she will; provide overall leadership to enhance the effectiveness of the Board; provide advice and counsel to the Chief Executive Officer, Committee Chairs and fellow Directors; ensure that the responsibilities of the Board, Board Committees and individual Directors, as set out in the Board Charter, are well understood by them and work with the Chief Executive Officer and other officers to monitor progress on forward planning and policy implementation. Among other things, he or she will, with the President and Chief Executive Officer and the Corporate Secretary, establish the agenda for and chair most Board meetings; ensure that Directors are receiving information that is timely, in a useful format and of high quality; chair, or assign the Vice-Chair to chair, all annual meetings and special meetings of shareholders; and work with and assist the Chief Executive Officer, Chief Financial Officer and Corporate Secretary in representing Central Fund’s interests to its external stakeholders such as shareholders, regulators and the investment community.

### ***Shareholdings***

The Board of Directors believes that Directors can be seen to more effectively represent the interests of shareholders if they have a meaningful investment or "at risk" amount in shares of the Corporation. Accordingly, the Board established a policy to the effect that by December 31, 2004, each Director own at least 1,000 shares of the Corporation. All of the Directors in office meet that policy. The Board has not granted any share options and does not intend to create any deferred share units for the benefit of its Directors or Officers.

The following table sets out the number of shares of the Corporation, by class, held by each Director as of January 1, 2009 and January 1, 2010.

Name of Director	Number of Shares of the Corporation Beneficially Owned or over which Control or Direction is Exercised

### ***Directors' Remuneration***

The Directors' remuneration is intended to provide modest compensation for the risks and responsibilities undertaken by a Director of the Central Fund.

Each of the Directors, other than the Chairman and the President who are employees of the Administrator, The Central Group Alberta Ltd., effective as and from November 1, 2008 was paid an annual fee of U.S. \$10,000 for service as a Director and a fee of U.S. \$1,000 per meeting for all Board and Committee meetings attended in person or by conference telephone. The Committee Chairmen received a further annual fee of U.S. \$2,500 and the Lead Director and Vice-Chairman of the Corporation received a further annual fee of U.S. \$2,000. Independent Directors who attend at and assist with bullion audit inspections receive a fee of \$1,000 for each attendance. Effective as and from August 1, 2009, the annual fee for service as a Director was increased to U.S. \$13,000, the fee for each attendance at Board and Committee meetings as well as on bullion inspections was increased to U.S. \$1,200 and the fee to the Chairman of each of the Audit and Corporate Governance Committees was increased to U.S. \$3,000.

The aggregate fees paid by the Corporation to the Directors of the Corporation, who are not owners of The Central Group Alberta Ltd., for the fiscal year ended October 31, 2009 was U.S. \$132,283.

The following table shows the total amount in U.S. dollars received by each such Director for the year ended October 31, 2009.

John S. Elder, Q.C.	\$10,750	\$5,200			\$15,950

Malcolm A. Taschereau	3,333	3,000			6,333
					\$132,283

There are no Officers of the Corporation who receive remuneration from the Corporation for acting as Officers. The Corporation does not have any employees or pension or retirement benefit plans. The Officers and Directors of the Corporation who are also officers and directors of the Administrator receive no remuneration as Officers and Directors of the Corporation, other than Mr. Spackman who receives the standard Director's fee, a Vice-Chairman's fee and fees for serving on the Executive Committee when occasional meetings are required.

However, the Administrator, under the Administrative and Consulting Agreement described under "Interest of Administrator and Others in Material Transactions" generally oversees day-to-day administration of the Corporation's affairs. While it does not separately remunerate its personnel who also serve as Officers and Directors of Central Fund for those services, the Administrator has advised that the President and Chief Executive Officer and the Treasurer acting as the Chief Financial Officer of Central Fund received from the Administrator an estimated U.S. \$200,000 and \$40,000 respectively for services that might be regarded as rendered specifically in their capacities as Officers and Directors of Central Fund for the fiscal year of Corporation ended October 31, 2009.

No directors' and officers' liability insurance is carried by the Corporation. No Director or Officer of the Corporation or any associate or affiliate of any such Director or Officer is or has been indebted to the Corporation.

**CORPORATE GOVERNANCE**

***Overview***

Central Fund's corporate governance practices are designed to ensure that the business and affairs of the Corporation are governed effectively. With certain exceptions as noted below, these practices generally accord with Multilateral Instrument 58-101; "Disclosure of Corporate Governance Practices" and Multilateral Policy and Instrument 58-201; "Effective Corporate Governance" (collectively the "Governance Rules") and with Multilateral Instrument 52-110; "Audit Committee" and Companion Policy 52-110CP (collectively the "Audit Committee Rules"), all of which are rules of the Canadian Securities Administrators.

Central Fund's corporate governance practices are designed with a view to ensuring that the affairs of the Corporation are effectively stewarded in the interests of the shareholders as a whole.

The Board is the author of its own policies, procedures and practices concerning the direction and administration of the Corporation. It fulfils these duties with independence from the Senior Executive Officers of the Corporation.

***Board Mandate and Code of Ethics***

The Board of Directors is, as set forth in its mandate, responsible for the direction and supervision of the administration of the affairs of the Corporation pursuant to its powers and obligations under the Alberta Business Corporations Act, its articles and by-laws and other statutory and legal requirements generally applicable to directors of a corporation that is also a reporting issuer. Prime stewardship responsibility of the Board is to ensure the viability of the Corporation and its functions as a passive holder of gold and silver bullion. In carrying out its duties, the Board holds regular meetings on at least a quarterly basis and additional meetings to deal with particular matters as appropriate. Supported by three Committees of the Board, the Board stewards the Corporation, including the activities of the Administrator, develops and oversees corporate strategy and its implementation; identifies and assesses the principal risks of the affairs of the Corporation; reviews financial performance and reporting and disclosure, assesses the internal control and information systems; assesses and selects nominees for election as Directors; appoints the Officers of the Corporation, ensures their integrity and reviews their performance; deals with succession planning; reviews and approves actions of the Committees; oversees public communications policies and shareholder

relations; and annually reviews the effectiveness of the Board and committees, including each Director's contribution. These duties and responsibilities are consistent with the Governance Rules. An individual Director is permitted to engage an outside advisor at the expense of the Corporation in specific circumstances such as where such Director is placed in a conflict position through activities of the Corporation, but any such engagement is subject to the prior approval of the Corporate Governance Committee referred to below. No circumstance for any such engagement has arisen to date.

The Board has adopted a code of business ethics which governs the behaviour of its Directors and Officers. Compliance is monitored by the Board and, should any waiver be granted to a Director or Officer, the policy is to disclose this in the next ensuing quarterly or annual report. The Board has also adopted a formal mandate that sets out its responsibilities for stewardship of the Corporation. The Code of Conduct and Ethics and the Board mandate are set out on the Corporation's website at [www.centralfund.com](http://www.centralfund.com). The Board has also adopted an individual Director's mandate setting forth the duties and responsibilities of each Director. As recommended in the Guidelines and the Governance Rules, formal position descriptions have been developed for the Board, the Chairman of the Audit Committee and the Chairman of the Corporate Governance Committee as well as for the CEO, thereby defining the limits of the Senior Executive Officers' responsibilities and the CEO's corporate objectives.

### ***Lead Director***

Mr. Heagle, the Chairman of the Audit Committee and an independent Director, has been designated as the "Lead Director". As such, he has taken on the responsibility of overseeing the operation of the Board and its effectiveness, and leads discussions of the Board when it meets in private session without the Senior Executive Officers or representatives of the Administrator present. These *in camera* sessions are held at the conclusion of each regular Board meeting and at each regular Audit or Corporate Governance Committee meeting so as to promote full and open discussion among the Directors who are not owners of the Administrator.

### ***Board Activities***

The Board is in a position to conduct its meetings and to make appropriate decisions effectively. Financial and other information is made available to Board members several days in advance of meetings. Directors are generally encouraged to attend meetings in person. Directors are asked to advise the Corporation if they are unable to attend meetings and attendance at meetings is recorded. The Board held four regular meetings during the past fiscal year. All of the Directors have agreed to an evaluation of their collective as well as their individual performance. All of the Directors are encouraged to exercise their responsibilities in the best interests of the Central Fund and its shareholders generally.

The Board has not adopted a formal policy for the recruitment of new Directors. However, as the need for new Directors arises, the responsibility for identifying or reviewing a nominee or nominees and recommending them to the Board is assigned to the Corporate Governance Committee, all of the members of which are independent Directors.

### ***Committees***

The Board is responsible for establishing and overseeing the performance of all Committees and for the appointing of members to serve on such Committees and approving their compensation. Three standing Committees have been appointed.

The ***Executive Committee*** is currently comprised of four Directors, one of whom is an independent Director. The Committee meets occasionally between regularly scheduled Board meetings and is delegated authority to deal with various matters. The proceedings of this Committee are reviewed by the Board. The Committee did not meet during the last two fiscal years.

The *Audit Committee* is currently comprised of three Directors, all of whom are unrelated and independent directors as contemplated by the Audit Committee Rules. Each of the members of the Committee is “financially literate” in having the ability to read and understand a set of financial statements and the accompanying notes that present a breadth and level of complexity of the issues that can reasonably be expected to be raised by the Corporation’s financial statements. Each of the members of the Committee is regarded by the Board as having “accounting or related financial experience” through having the ability, by virtue of past accounting training and/or experience as a chief financial officer or chief executive officer with oversight of a corporation’s finance and accounting activities, to analyze and interpret a full set of financial statements and the accompanying notes prepared in accordance with Canadian generally accepted accounting principles.

The charter for the Audit Committee reflects the requirements of the Audit Committee Rules. The Audit Committee fulfils its responsibilities within the context of the following guidelines:

- the Committee communicates its expectations to the Senior Executive Officers and the external auditors with respect to the nature, extent and timing of its information needs. The Committee expects that draft financial statements and other written materials will be received from the Senior Executive Officers or the external auditors several days in advance of Committee meeting dates;
- the Committee, in consultation with the Senior Executive Officers and the external auditors, develops an Audit Committee agenda which is responsive to the Committee’s needs as set out in its charter;
- the Committee, in consultation with the Senior Executive Officers and the external auditors, reviews important financial issues and emerging audit, accounting and governance standards which may impact the Corporation’s financial disclosure and presentation;
- the Chairman of the Committee and other Audit Committee members have direct, open and frank discussions during the year with the Senior Executive Officers, other Board members and the external auditors as required;
- to assist the Committee in fulfilling its responsibilities, it may, at the expense of the Corporation and after consultation with the President, engage an outside advisor with special expertise; and
- as the external auditor’s responsibility is not only to the Board of Directors but to the Audit Committee as representatives of the shareholders, the Committee expects the external auditors to report to it all material issues arising out of their services or relationship with the Corporation.

The Audit Committee meets on at least a quarterly basis with one or more Officers of the Corporation and with the external auditors to discuss the independence of the external auditors, the scope of the annual audit, the audit plan, access granted to the accounting system and related internal controls, cooperation of the Senior Executive Officers in the audit and review function, internal controls, the financial reporting process and related internal controls, the quality and adequacy of the Corporation’s or the Administrator’s accounting and financial personnel and other resources and financial risk management so as to satisfy itself that each party is properly discharging its responsibilities. The Committee also reviews the quarterly and annual financial statements, the Annual Information Form, the Annual Report including the external auditors’ report, the required Management’s Discussion and Analysis and financial press releases. The Committee further reviews the remuneration of and recommends, for review by the Board and approval by the shareholders, the re-appointment and terms of engagement of the external auditors.

The Committee also pre-approves all non-audit services proposed to be provided by the external auditors. The charter of the Audit Committee is set out on the Corporation's website at [www.centrafund.com](http://www.centrafund.com) and in the Corporation's Annual Information Form. Its conduct is reviewed annually by the Committee and the Board.

Mr. Heagle chairs the Audit Committee which meets at least four times per year and which met six times during the last fiscal year. The Committee meets in camera at each regular meeting without any Senior Executive Officers or owners of the Administrator present.

The *Corporate Governance Committee* is currently comprised of three Directors, all of whom are independent.

The Corporate Governance Committee is responsible for developing the Corporation's approach to governance issues; reviewing the effectiveness of the Board's practices in light of emerging and changing regulatory requirements; assessing new nominees to the Board and planning education programs for them; and assessing the size, composition and effectiveness of the Board as a whole and of the Committees as well as assessing the contribution of individual Board members. The Committee's responsibility extends to ensuring that the Board can function independently of the Senior Executive Officers and monitoring the Board's relationship to the Senior Executive Officers. It reviews the communications policy of the Corporation to ensure that communications to shareholders, regulators and the investing public are factual and timely, are broadly disseminated in accordance with applicable policy and law and to ensure that such communications treat all shareholders fairly with respect to disclosure. The Committee recommends topics of interest or importance for discussion and/or action by the Board. It annually reviews Board and Committee effectiveness including the continuing qualifications and contribution of individual members as well as any conflicts of interest and time commitments. It also reviews the adequacy and form of the compensation of Directors to ensure that the compensation realistically reflects the responsibilities and risks involved in being an effective Director. The Committee is also responsible for approving the engagement by one or more Directors of an outside legal or other advisor at the expense of the Corporation should such extraordinary circumstances ever arise.

The charter of the Corporate Governance Committee is set out on the Corporation's website at [www.centrafund.com](http://www.centrafund.com). Its content is reviewed annually by the Committee and the Board.

Mr. Sale chairs the Corporate Governance Committee which generally meets twice per year. The Committee meets in camera at each regular meeting without any Senior Executive Officers or representatives of the owners of the Administrator present.
