### **CENTRAL FUND ANNOUNCES PROPOSED OFFERING**

**TORONTO, Ontario (February 26, 2008)** – Central Fund of Canada Limited (“CFOC”) of Calgary, Alberta announced today that it plans to offer Class A Shares to the public in Canada and the United States under its existing US\$250,000,000 base shelf prospectus filed with the securities commissions in each of the provinces and territories of Canada, except Quebec, and under the multijurisdictional disclosure system in the United States pursuant to a proposed underwritten offering by CIBC World Markets Inc. CFOC will only proceed with the offering if it is non-dilutive to the net asset value of the Class A Shares owned by existing shareholders of CFOC.

A remainder of approximately US\$57,000,000 of the original US\$250,000,000 provided for in the Base Shelf Prospectus is available for this offering.

Substantially all of the net proceeds of the offering will be used to purchase gold and silver bullion, in keeping with the investment policies established by the board of directors of CFOC. Any additional capital raised by any such offering is expected to reduce the operating expense ratio in favour of the shareholders of CFOC.
